Pacific Northwestern Ski Association. It is a pleasure to work in close co-operation with its president, Mr. Peter Hostmark. Members clubs of the P.N.S.A. for many years have extended their hospitality to our competitors who look forward each year to "competing across the Line." In this connection I do not consider it would be out of place to mention that, although our competitors do not officially represent Canada, they are nevertheless Canadians and looked upon by their hosts as representatives of another country and all their actions are regarded in that light. Therefore, when a Canadian skier competes across the Line, the responsibility of good conduct is extremely important.

I must not end this brief report without expressing thanks to all those who have helped to carry out the office of the Western Vice-President, especially, Lindsay Loutet, our Treasurer, Jack Hutchinson, Alan Carscallen, Danny McKay and George Harris—my deep appreciation to the young ladies, without whose voluntary assistance it would have been impossible for me to carry on the correspondence of this office.
