ERKKI PENTTILA, Cross-Country Amateur Champion of Canada in 1930, was born in Finland in 1905, and was a member of the Savanlinnan Club of Helsinki, Finland. He started ski-ing as a child, winning his first race, an open school competition, at age 13. At 16 years, he won his first important race, a 10-kilometre open club race. In 1928, he won the 10- and 50- kilometre open championship races in Finland, open to Norwegian and Swedish skiers at Lahti. In addition he has won many important races in his country before coming to Canada in 1929. Since competing in Canada, Mr. Penttila has the remarkable record of never having been defeated in the many races in which he has entered, and on March 2, 1930, he won by a margin of about twenty minutes, the first 50-kilometre race, from Shawbridge to Ste. Marguerite and return, run in Eastern Canada. Mr. Penttila is a member of the Montreal Ski Club.
