# SKI BOOTS

(MADE IN NORWEGIAN and SWISS PATTERNS)

were originated by us in Canada, makers of ski boots  
for over-nineteen years.

Our boots are used and approved by the most noted  
skiers in Canada.

Look for this

"Trade Mark"

MADE IN CANADA

*Note the special grooved heel, which fits the harness closely  
It has a straight sole, which gives that rocking motion  
It is double stitched reinforcing the sole  
Made to fit the new patented harness*

# The Latest Thing— Pyralin Foot Plates

Secure the newest aid to comfortable ski-ing--A set of Pyralin ski foot plates. Enjoy this winter sport as never before. Pyralin ski foot plates are a distinctive development, vastly superior to the old rubber type. Snow cannot stick to Pyralin, no stopping to clean away packed snow—a delightful freedom from this old annoyance. Pyralin plates can be supplied in bright and attractive colors, making an ideal identification mark. Can be fitted to any type or size of ski. Ask your sporting goods dealer about this latest improvement in ski equipment.

## You too will say

The peppiest drink for the peppiest sport . . . that's O'Keefe's Dry Ginger Ale.

Lively . . . tasteful . . . satisfying . . . Pure and sparkling like the famous crystal clear York Springs water with which it is blended.
