KANDAHAR SUPER SKIS

IN MODELS FOR
RACING
SEMI-RACING
TOURING
SLALOM
DOWNHILL
JUMPING

KANDAHAR is our new trade name for this finest in skis,—produced in Canada too. Skiers are fast becoming aware of the tremendous difference in the quality of skis. KANDAHAR models are our answer to those who demand the best. Imagine then, skis that are made from the toughest species of the choicest, thoroughly seasoned, edge-grain, second growth, white ash or hickory. This quality wood in the latest EUROPEAN MODELS with a genuine Norwegian water-proof finish assures you of the best. Be sure to see KANDAHAR models before you buy.

LIKE OUR SUPER MODELS, all Canada skis are scientifically made, and other lines such as GATINEAU, LAURENTIAN and BANFF will be found superior to anything that has been available in the past at popular prices.

Our prices will please because they represent the best value on the market. Ask your dealer for Canada Skis.
