

Body, and Robert Nield and their efforts were not in vain. At the Vancouver City Ski Championships held at West Lake, Hollyburn, our class "C" skiers took first in the racing, first in the jumping and first and second in the combined event. The younger skiers are coming along very fast and one of these days will be showing the old timers just how it is done.

Our club is fortunate in possessing the finest array of trophies of any ski club in the city. They are competed for annually and are a great source of friendly rivalry between members who try to capture them. Below is the results of the club championship events for the season.

Men's Class "A":—The Dam Mountain Downhill Race won by Stan Body; The Grouse Peak Downhill Race won by Gordon Loutet; Cross-Country Racing, Woods Trophy, won by Arne Watn; Jumping won by Arne Watn, Consolidated Distillers Trophy; Combined, won by Arne Watn, Chas. Clamans Trophy; Slalom, Stan Body. Class "A" Ladies Racing won by B. Boulton, winning Famous Cloak Trophy.

Kimberley Ski Club

THIS club was organized January 10, 1931, by a few ski enthusiasts and gradually grew until, in the 1933-1934 season, they affiliated with the C.A.S.A. and held a splendid inter-club tournament. The 1935 tournament was one of the best ever put on in the Kootenays; we had sixty entrants altogether and certainly gave Kimberley a splendid show. Trig Anderson, Nelson, won the combined challenge for the second time in succession. Roy McKay, Nelson, won the Challenge Cup for Class "A" jumping and Miss Bourdon, Vancouver, won the Challenge Cup for the Ladies' Race. It is the first time that a ladies' race had been run here.

At our annual meeting, March 31, 1935, it was decided to affiliate with the C.A.S.A. The following officers were elected:—President, S. J. Almas; Vice-President, E. Nord; Secretary, T. M. Anderson; Registrar, O. Scribe; Treasurer, H. Hepper; Directors, A. Christenson, O. Carlstrom, F. Heistad.

This summer we have improved the senior hill and it is now a class "A" hill.

Hollyburn Pacific Ski Club

THE 1934-1935 SEASON was the most prosperous that the club has yet enjoyed, and our annual statement records a substantial bank balance with all outstanding accounts paid, speaking well for the work of our executive, social and competitive activities. Ski-ing was somewhat handicapped by unusually poor snow conditions, though with prospects for a fine season. It was decided at the annual meeting to build a club cabin to accommodate our ever growing list of members.

Last season saw great development in downhill and slalom racing and while jumping and cross-country racing have always been our specialties, we have now taken up this new branch and are determined to develop competitors who will more than hold their own with our more experienced friends of Washington and Oregon. Some fine competitions were held and plans have been made for next year that will bring us up to date in slalom and downhill.

Following a policy laid down in 1934 to provide entertainment during the summer months we have sponsored several very fine launch trips, which have proven invaluable in keeping our membership intact during the off season and their success was assured by a large turnout.

On reviewing the 1934-35 season we wish to express our satisfaction of the progress made in ironing out the difficulties between the eastern and western ski associations; difficulties mainly arising through the distance we are apart. Both associations exist to advance the cause of ski-ing and this can only be properly accomplished by the co-operation that has at last been mutually agreed upon.

Our annual meeting was held with the following elected to office:—Honorary President, Wm. Dudgeon; President, R. Morris; Vice-President, M. Pogue; Secretary, Daisy Bourdon; Treasurer, Olive Longmuir; Chairman of Sports Committee, N. Beaumont; Special Representative over Slalom and Downhill, G. Johnson; Chairman of House Committee, S. Morrison; Club Representative, J. Foster.

Following are the results of our club championships:— "A" Class Jumping—N. Kaldahl, Wm. Hansen, N. Beaumont; Racing—G. Johnson, Wm. Hansen, G. Bury; Combined—Wm. Hansen, N. Beaumont.

"B" Class Jumping—D. Cooke, M. Leslie, E. Twiss; Racing—D. Cooke, Wm. Brown, G. Robinson; Combined—D. Cooke.

"C" Class Jumping—W. Sutherland, S. Debou, J. Foster; Racing—W. Sutherland, J. Foster, B. James; Combined—W. Sutherland, J. Foster, S. Debou.

Ladies' Racing "A" Class—Miss D. Bourdon, Miss M. Gale, Miss T. Murby; "B" Class—Mrs. Wm. Brown, Miss J. Jellett.

Messrs. N. Kaldahl, G. Johnson, Wm. Hansen, N. Beaumont and Miss D. Bourdon brought glory to themselves and the club by their fine performances in interior British Columbia and Washington tournaments.
