St. Jovite Ski Club

THE ST. JOVITE SKI CLUB is happy to report that its 1935-36 season, the fourth in its history, was one of the most successful.

To summarize the factors that have made it such we might mention the continued and larger participation in the sport by the population of St. Jovite, increased membership, the improved technique of members, no accidents, enthusiastic competitions and social activities.

On the other side of the ledger were the mediocre snow conditions—the snow was slow in coming and vanished very suddenly and early. Such a season, however, serves to mark our valuable asset, the Mont Tremblant section, to advantage. Ski-ing was possible up there until Easter; at that, it closed a month earlier than usual.

Probably our greatest source of encouragement is the showing our local boys are making.

Our trails need to be developed further, especially the connecting trails between villages. Our club, in common with others in the mountains, has setbacks in this development because some of the residents do not appreciate our efforts. Education alone will arouse local co-operation and we feel that the boys' influence is a step in this direction.

At any rate, the ski-ing fraternity of St. Jovite is very thankful for the generous support it receives from its citizens. To the International Paper Company, Gray Rocks Inn, its supporters here and elsewhere, we offer our thanks.

Reporting our main competitions in chronological order, the honors in the Boys' Elimination Races went to Conrad Forget. In the Local Championships, Jos. Legaré came on top after a brilliant performance in cross-country, slalom, downhill and jumping.

The outstanding competitive event of the season was the First Taschereau Downhill Race held on Mont Tremblant, February 23. This race proved very popular and such features as the inclusion in the program of the Ladies', Juniors' and Veterans' classes had their merits and were appreciated.

In Class II, T. T. Odell of St. Marguerite Ski Club placed first, ran the two-mile track in 3.52.2; in Class III, R. J. Campana of Nansen Ski Club (U.S.A.) won with a time of 3.53.3. In the Ladies' Race, Miss M. McNicholls, Penguin Ski Club, placed first with a time of 4.43.5. In the Juniors event, Peter Leggat of St. Jovite Ski Club was timed first with a time of 4.50. Oscar Goddard (5.43) of Labelle Ski Club was the winner in the Veterans.

The Hon. L. A. Taschereau Challenge Cup was awarded to Peter Leggat, Club's trophies to T. T. Odell, R. J. Campana and Oscar Goddard, and the Gray Rocks Inn Cup to Miss M. McNicholls.

This report would not be complete if it did not mention the fine work of the Zone Committee in assisting in the competitions.

The officers for 1935-36 were as follows:—*Patron*, Hon. L. A. Taschereau; *Honorary President*, A. Sidney Dawes; *President*, E. E. Shaw; *Vice-Presidents*, G. Drury, Antonio Forget, Dr. A. Normandeau; *Secretary*, John L. Bedard; *Directors*, F. H. Wheeler, Notary C. Proulx, J. O. R. Marchand, Len Cooper, T. Watchorn and V. A. Forbell; *Technical Board*, E. Lessard, W. H. Pauly, H. S. St. Sauveur Sports Club

THE POPULARITY of St. Sauveur des Monts is increasing by leaps and bounds, and it is to be hoped that this season will even be more successful than past ones. Officers and members of the Club have worked diligently and faithfully to improve the many ski runs and trails about St. Sauveur. The 1935-36 season was officially inaugurated with downhill and slalom races on the "Big Hill". Hundreds of out-of-town visitors were on hand to witness the events, many

of them taking active part. Junior members of the Club placed first at the annual meet of the Laurentian Village Ski League in Shawbridge last February, and T. Casgrain won the Fifty-Kilometre Cross-Country Race, thus bringing us new championships.

One hundred and twenty visitors spent the week of March 9 to the 16 in St. Sauveur, making the yearly "Ski Week" a huge success. Seventy skiers entered for the competitions on March 15, and more laurels were won for the Sports Club by such outstanding performers as T. Casgrain and R. Trottier.

Our membership list is increasing from year to year, and the future is looked forward to with every confidence.

Officers for 1937 are:—*President*, V. O. Nymark; *Vice-President*, Adolph Belanger; *Secretary*, J. P. Beliveau.

Quebec Ski Club

NOUS sommes heureux d'annoncer que les activités du Québec Ski Club pour la saison de ski pour l'année 1935-36 surpassent celles de l'année précédente.

Nous ne pouvons passer sous silence l'amabilité de monsieur Neale, gérant du Château Frontenac, qui a mis à la disposition des membres de notre club, pour leurs réunions, une magnifique salle; aussi, tous les membres se font un devoir de l'en remercier.

Au cours de la récente saison de ski, un grand nombre de skieurs allaient, le dimanche, à l'endroit idéal de leur sport favori, au Lac Beauport, ou au Petit Village Indien à Loretteville, où le Québec Ski Club a une section de plusieurs membres.

Comme d'habitude, le club organisa des concours qui créent beaucoup d'ambition parmi les skieurs et les invitent à se perfectionner dans ce sport.

Le Championnat de la Vallée du Saint-Laurent (Slalom, Courses à travers Champs, Downhill) auquel prirent part un grand nombre de skieurs, et dont les résultats furent très contestés, eut lieu dans une fin de semaine du mois de janvier, le 18 et le 19. Ces différents concours remportèrent un grand succès grâce au travail et aux efforts du Comité du Québec Ski Zone et de l'exécutif de notre club.

Et voici les résultats de nos différents concours:—
