PARADISE!

**PROVINCE**

Where winter is really "winter", . . . sparkling starlit nights . . . deep soft snow and lots of it, . . . cheery inns and village hostelries, . . . famous French-Canadian cuisine . . . huge log fires . . . miles of pine clad ski-trails . . . toboggan slides . . . sleighing . . . ice carnivals . . . this is Quebec Province in "Snowtime"

Truly a skier's paradise, this land of heavy snow and cool, invigorating air, . . . where a suntan is as easily acquired as in summer. A winter vacation that will never be forgotten, in such famous ski-ing localities as the Laurentian Mountains . . . Gatineau Valley . . . Quebec City . . . Eastern Townships . . . St. Maurice Valley . . . and Montreal
